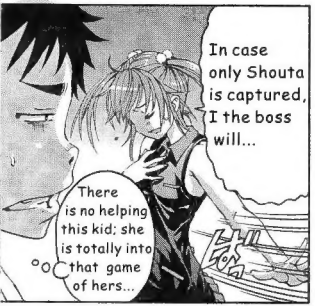
Geez... Manatsu, why don't you go by yourself?

Shouta, you go first; I'll be here on the lookout.
Me?



In case only Shouta is captured, I the boss will...
There is no helping this kid; she is totally into that game of hers...

I can't!
Shouta, someone must stay behind; there is no way I can go by myself!

女子更衣室

It won't open...
It's firmly locked.
...of course it is
It's because there are thiefs and weirdos.
Why is that?
Even though I left nothing but my wet and dirty swimsuit in there!
waah!

Look, look!
The evening pool looks like a mirror!
It's so beautiful!
Be careful
If you fall in...
Did Manatsu go back in time like me...?
Wait a minute... if that's the case...

If I fall in once more...
where will I...?

It can't be helped thinking about that.
Anyway, I'm living in this world now.

Manatsu
Let's go back now.
I still haven't done a thing about my homework for tomorrow...
Hey, Shouta

If I didn't exist...
